

Oregon Psychiatric Access Line (OPAL) medication consultation for prescribing providers

The Oregon Psychiatric Access Line (OPAL) is a service of Oregon Health & Science University (OHSU). OPAL provides free, same-day child and adult psychiatric phone consultation to primary care providers in Oregon. The program expands the availability of high-quality mental health treatment to Oregon youth and adults via:

- Timely psychiatric consultation
- Medical practitioner education, and
- Connections with mental health professionals throughout the state.

Persons and families living with mental illness may benefit from their medical providers registering with OPAL. Once registered, providers have access to child and adult psychiatrists Monday through Friday (excluding major holidays) from 9 a.m. to 5 p.m.
