

Oregon's Medicaid Advisory Committee (MAC) is recruiting candidates to fill multiple open positions including:

- **One** oral health professional;
- **One** physician living or practicing outside of the Willamette Valley; and
- **One** person with professional or lived experience with Oregon's long term services and supports (LTSS) program.

Details: Ideal candidates are committed to eliminating inequities and improving health care access and quality for Oregonians who are enrolled in Oregon's Medicaid program, the Oregon Health Plan (OHP). MAC members are appointed by the Governor to serve up to two, two-year terms. Individuals from all areas of the state are encouraged to apply.

The MAC is a federally mandated body that advises the Oregon Health Policy Board (OHPB), the Oregon Health Authority (OHA), and the Oregon Department of Human Services (ODHS) about the operation of Oregon's Medicaid program through a consumer and community lens.

Key responsibilities of MAC members include:

- Attend and participate in at least 80% of committee meetings, which are held eight times each year (attendance can be virtual)
- Engage in policy-level discussions about health care in Oregon
- Work to elevate the voices and perspectives of OHP members
- Participate fully, respectfully, and constructively
- Spend approximately one to two additional hours each month to prepare for meetings

MAC members influence health policy in many important ways. Recent work includes:

- Recommendations to Improve OHP Consumer Experience
- Using Health Related Services to Address Housing Needs: A Guide for CCOs
- Addressing the Social Determinants of Health – Recommendations for Oregon's CCO Model
