**Nothing about us,
without us**

A scenic photograph of a coastline with cliffs, waves, and a beach, framed with rounded corners. The text "Nothing about us, without us" is overlaid in the center. The image shows a rugged coastline with steep, reddish-brown cliffs on the left, a sandy beach, and waves crashing against rocks in the ocean. The sky is blue with some white clouds. The text is in a bold, black font with a yellow glow effect.
