When we list data by one of the ED metrics, it does not include Unity.</i></p> <p><b>ACT</b>  <b>Q:</b> Will there be more ACT teams to report?  <b>A:</b> <i>We are working on expanding capacity for ACT.</i></p> <p><b>Crisis Services</b>  We count people; not visits.</p> <p><b>Supported Housing</b>  This definition was discussed in detail. No target in here for supportive housing, which does not count as supported housing. We provide funding to providers and rent subsidies. Funding is not going as far as it used to due to high rents and low vacancy rates.</p>			

**Peer Delivered Services**

Some programs may provide services that are imbedded into programs and will not be billed using the PDS code, therefore, they are not able to be counted.

**Q:** How are we moving this forward regionally?

**A:** *We are looking at expanding peer delivered services for individuals. This is occurring at multiple levels to include The Office of Consumer Activities.*
