Dear Ms. Hittle:

The Centers for Medicare & Medicaid Services (CMS) received Oregon's request for the extension of its section 1115 demonstration entitled, "Oregon Health Plan" on February 18, 2022.

Due to the substantial changes to the demonstration as submitted in the extension application, CMS is treating this as a new demonstration application, consistent with 42 CFR 431.412(c)(1). As such, we have completed a preliminary review of your request in accordance with the requirements of 42 CFR 431.412(a) and have determined that the state's application meets these requirements for a complete application. Oregon's application will be posted on Medicaid.gov for a 30-day federal comment period as required by 42 CFR 431.416(b). The state's application will be available at: <https://www.medicaid.gov/medicaid/section-1115-demo/demonstration-and-waiver-list/index.html>.

If you have questions regarding the section 1115 demonstration application process, please contact your CMS project officer Felicia Pailen, at Felicia.Pailen@cms.hhs.gov.

Sincerely,

3/3/2022

X Andrea J. Casart
