RE: Oregon Health Authority Monthly Update on Ongoing and Emerging Issues

Dear Governor Brown,

OHA's Issue Resolution Leadership Team and the Issue Resolution Project Team have been meeting jointly to provide leadership oversight and to ensure progress continues to be made in resolving identified issues. We are also continuing ongoing research and analysis into previously documented issues and documenting new issues. The Issues Log is attached and includes all documented issues. The agency is continuing to manage to existing resolution plans, however, there are no material updates for this month.

Please do not hesitate to contact me with any questions you may have.

Sincerely,

Kris Kautz
