Si necesita ayuda o tiene preguntas, comuníquese con Heather Owens at 971-291-2568 or [heather.r.owens@dhsoha.state.or.us](mailto:heather.r.owens@dhsoha.state.or.us) or o 711 TTY.

# Consensus based decision making

*At your next meeting, we will provide 1 beverage, coffee or tea. As a group, use thumb voting to come to consensus on which beverage you would like served.*

- Thumbs up (I agree)
- Thumbs sideways (I have a question, comment, or need more discussion)
- Thumbs down (I disagree)

If after three rounds of voting and discussion, consensus is not yet achieved (where all thumbs are up), the 80/20 rule will be enacted.

# Follow up from June meeting

- **Charter development** - Decisions needed related to:
  - Use of quorums
  - Consensus-based decision making
  - Inclusion of public in meetings
  - Member expectations

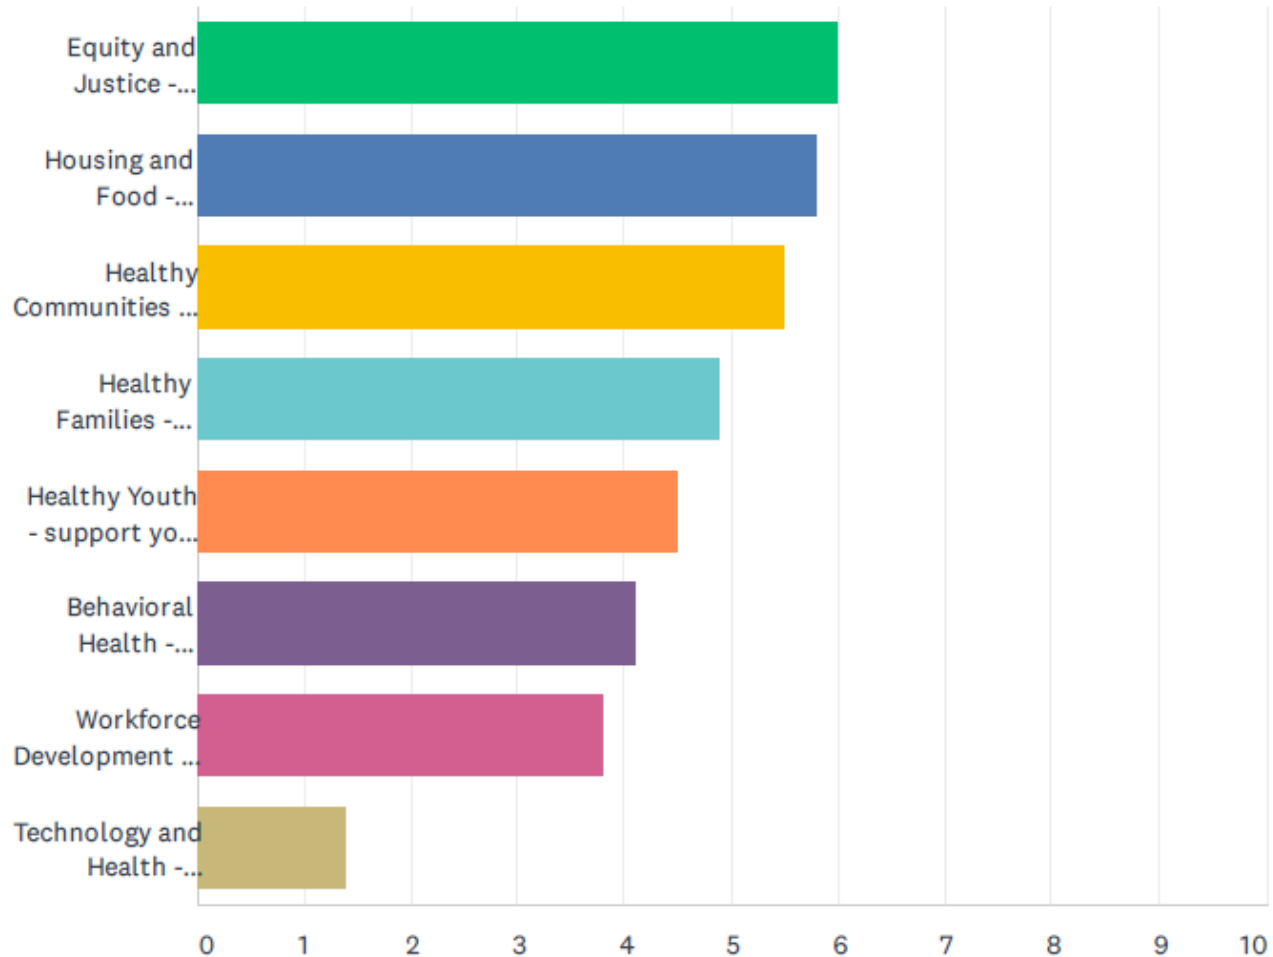

*Proposal: Form small work group to flush out details of charter. Final draft will be brought to full PartnerSHIP for approval.*

- **Funding and finance**
- **Office hours**

# Initial survey results

- How did this process go for you?
- How did you identify what strategy was most important/least important?

# Overall importance of implementation areas

PUBLIC HEALTH DIVISION

Office of the State Public Health Director

# Most important strategies

Implementation area	Strategy
Workforce Development	Implement standards for workforce development that address bias and improve delivery of equitable, trauma informed, and culturally and linguistically responsive services.
Housing and Food	Build a resilient food system that provides access to healthy, affordable and culturally appropriate food for all communities.
Healthy Families	Ensure access to and resources for affordable, high quality, culturally and linguistically responsive childcare and caregiving.
Healthy Youth	Provide culturally and linguistically responsive, trauma informed, multi-tiered behavioral health services and supports to all children and families.
Technology and Health	Expand use of telehealth especially in rural areas and for behavioral health.

# Least important strategies

Implementation area	Strategy
Behavioral Health	Continue to strengthen enforcement of the Mental Health Parity and Addictions Law
Housing and Food	Maximize investments and collaboration for food related interventions.
Technology and Health	Use electronic health records to promote delivery of preventive services.
Healthy Youth	Ensure all school districts are implementing K-12 comprehensive health education according to law
Healthy Families	Increase patient health literacy
Equity and Justice	Require that all public facing agencies and contractors implement trauma informed policy and procedure.

# Top priorities (from 2018-2019 community engagement process)

- Housing (#1)
- Mental health care (#2)
- Adversity, trauma and toxic stress
- Living wage
- Substance use
- Access to care
- Food insecurity
- Institutional bias

# Discussion

- As you review this data – what stands out to you?
- What do you make of the results?

# Next steps for strategy prioritization

- How would you like to keep moving towards a final list of 10-15 strategies?
- What do you need to feel confident in your selection?

# How do you define important?

Possible definitions....

- Strategy advances health equity
- Strategy identified as important to communities
- Strategy is achievable or feasible (consider costs and resources, political environment, etc.) in current environment
- Strategy needed for COVID-19 recovery
- Strategy creates a multiplier effect and helps to advance other strategies
- Something else?

# Community engagement proposals

## Shorter term methods (1-2 months):

- Compare prioritized strategies with past community feedback responses
- Survey community (as is or modified version of the survey) with targeted outreach and incentives
- PartnerSHIP led key informant interviews
- Other ideas?

## Longer term methods (5-6 months and \$\$)

- CBO led engagement (focus groups, surveys, etc.)
- Other ideas?

# Next Steps & Final Thoughts

## Next meeting:

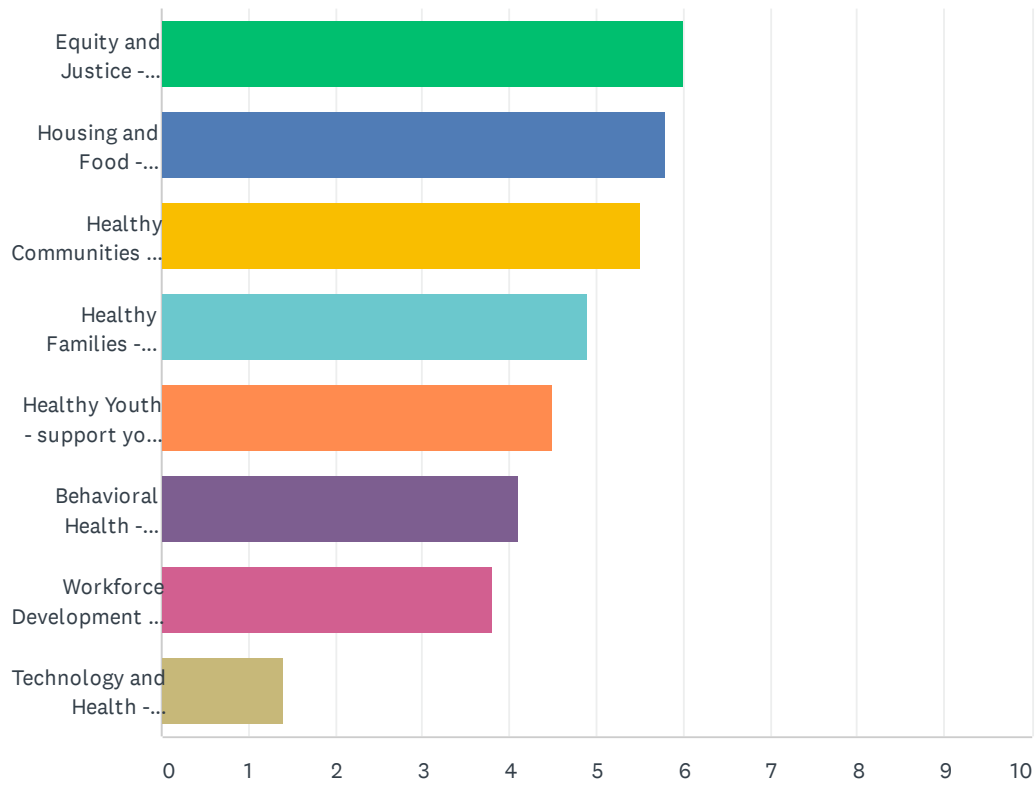

Monday, August 2nd

## Reminders:

- P'SHIP members eligible for compensation – invoice template is posted in Basecamp
- Next HTO in Action is tomorrow, July 13<sup>th</sup>, 10 – 11:30am. Focus on Behavioral Health strategies.
- Please submit Conflict of Interest form to [heather.r.owens@state.or.us](mailto:heather.r.owens@state.or.us)
