Getting clear on language

Vision: Oregon will be a place where health and wellbeing are achieved across the lifespan for people of all races, ethnicities, disabilities, genders, sexual orientations, socioeconomic status, nationalities and geographic locations.

Strategy: Policy, community and individual level interventions needed to achieve the goal

Process measure: Short term measure that would indicate strategy has been achieved.

Strategy development

- Goal: Identify a total of 10-15 strategies at policy, community and individual level
 - Existing strategies
 - New strategies
 - Interventions needed to make progress towards the goals
- Process
 - Identify possible strategies
 - Apply criteria to narrow strategies
 - Identify approximately 3 – 5 strategies for each layer of framework

Economic viability

- Example: Connect rural communities to urban markets through targeted infrastructure investments
 - Process measure: Number and value of infrastructure investment related to economic development

Source: Business Oregon Strategic Plan 2018 – 2022

Potential topics include: Living wage, access to wealth, ability to achieve self-sufficiency and financial stability, cost of caregiving, cost of higher education

Physical Environment

- Example: Address gaps in access to health and social services by forming collaborative partnerships between public transportation, health, and social service organizations such as health departments, non-profits, coordinated care organizations, and veterans agencies.
 - Process measure: Number of MOUs formalizing partnerships created or renewed by end of 2022.

Source: 2018 Oregon Public Transportation Plan.

Potential topics include: housing, transportation, built environment, climate change

Food Insecurity

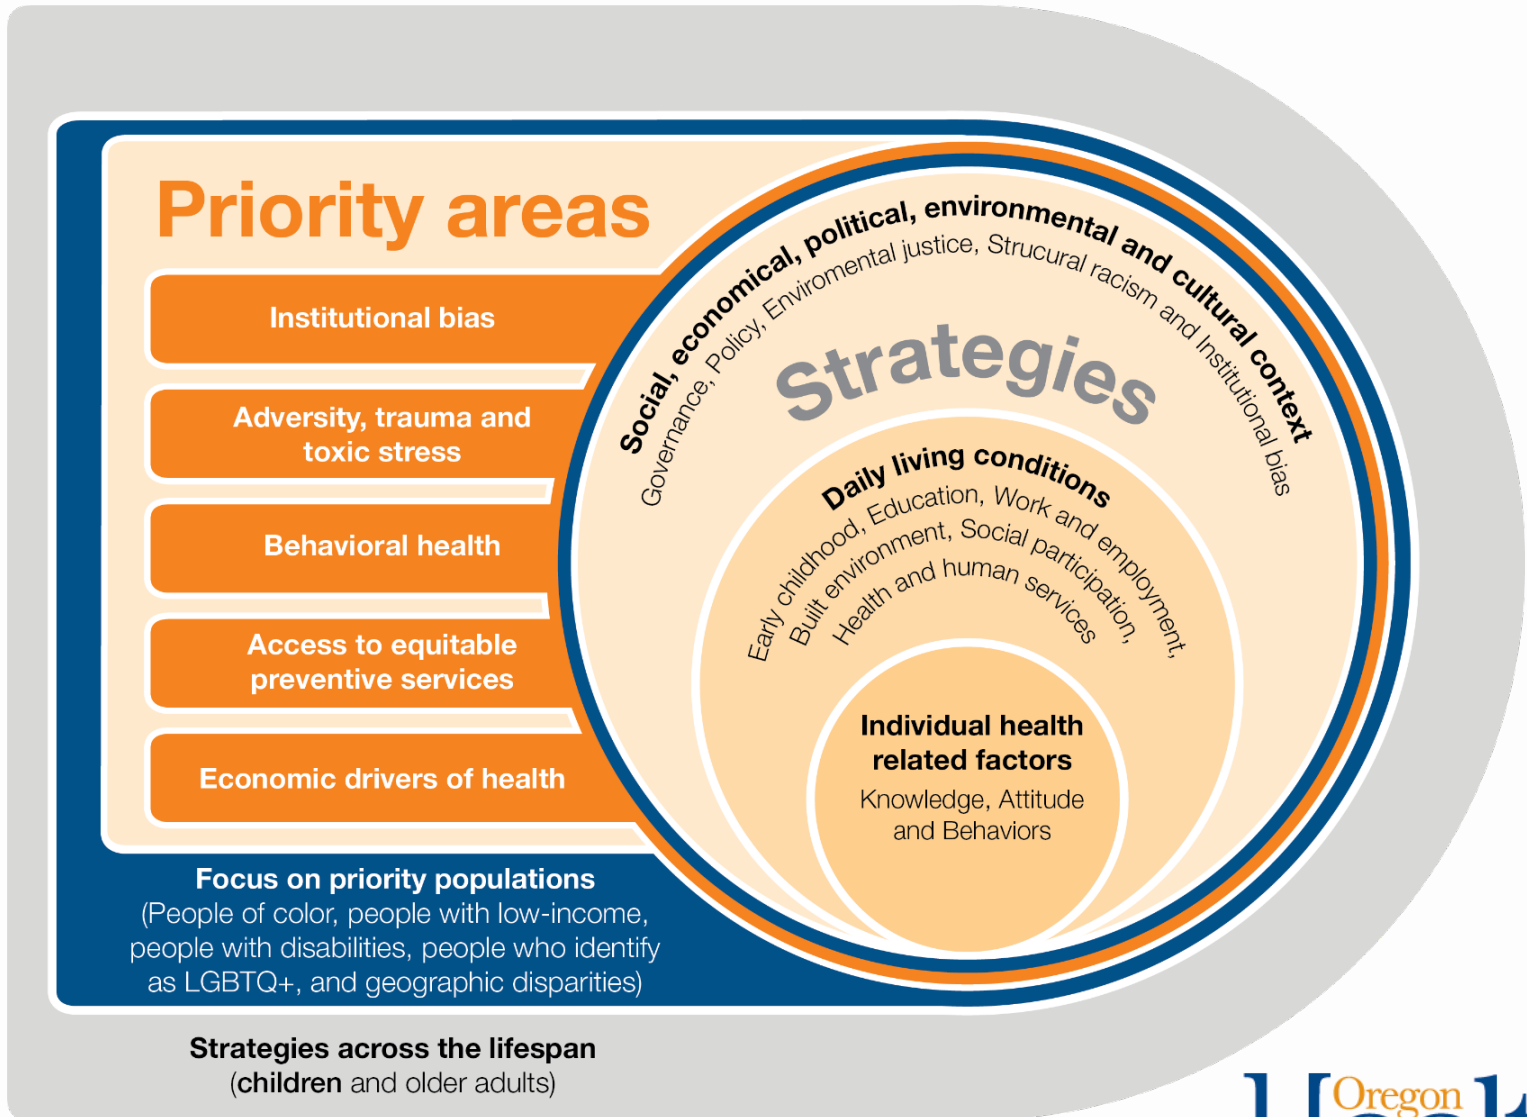

- Example: Protect and improve anti-hunger investments that provide coordination and deliver services to seniors, families with children, and people with disabilities
 - Process measure: Percent increase in WIC Farm Direct voucher redemption rate by 2023.

Source: Oregon Hunger Task Force Plan to End Hunger 2018-2019.

Potential topics include: Access to affordable and nutritious foods

Strategy Criteria	
Selection criteria	Definition
Proven impact on disparities	<ul style="list-style-type: none"> • Strategy addresses disparities in priority populations (POC, low income, disability, LGBTQ, rural/frontier)
Will achieve intended outcome	<ul style="list-style-type: none"> • Right strategy for the goal • Strategy aligns with evidence-based or promising practice
Politically feasible	<ul style="list-style-type: none"> • Ability to influence and implement a policy change
Resourced or likely to be resourced	<ul style="list-style-type: none"> • Funding is available or likely to be available • Local expertise exists
Relevant to community	<ul style="list-style-type: none"> • Strategy is in use in local community • Strategy is realistic and of interest from a local perspective
Alignment with other strategic initiatives (locally or federally)	<ul style="list-style-type: none"> • Strategy nationally recognized or recommended
Change likely in next 5 years	<ul style="list-style-type: none"> • Impacts likely to be seen within 5 years of implementation
Addresses lifespan	<ul style="list-style-type: none"> • Relevant to a wide range of age • Relevant to young children or older adults

Upcoming Timeline

January meeting

- Generate brainstorm.

February meeting

- Make decisions about what to include narrow to 15 maximum strategies, or as close to 15 as possible.

March meeting

- Apply criteria to ensure strategies affect priority populations. Finalize choices and wording.

Homework:

- Between January and February meetings
 - Sub priority meetings can begin to look at what to prioritize and bring recommendations to February meeting.
- Between February and March
 - Sub priority meetings can narrow further as necessary and refine wording.

Next Steps & Final Thoughts

-+/Delta feedback review

- Next subcommittee meeting is February 28
