— Quantity is zero.

\* Detailed reporting of small numbers may breach confidentiality.

<sup>1</sup> All rates per 1,000 females.

<sup>2</sup> Total includes 12 abortions where county of residence was unknown.

§ Abortion rate is significantly different from the state.

WARNING: Rates based on less than 5 events are unreliable.

NOTE: Includes abortions obtained out-of-state by Oregon residents. Because some states (e.g., California) do not record data on residence for abortion patients, not all out-of-state abortions are included.
