– Quantity is zero.

<sup>1</sup> For planned hospital births, actual attendant type is used. For planned out-of-hospital births with intrapartum transfer to hospitals, planned attendant type is reported by mother and not verified.

<sup>2</sup> Total includes 104 births that occurred en route, were unplanned home deliveries, or were other out-of-hospital births not otherwise classified. Total also includes 22 births with unknown gestation.

<sup>3</sup> Includes reported clinical estimate of gestation in completed weeks and missing or unknown gestations.
