Achengicheng Community,

Non nouch we saingonon taropwe, sia pon pwe sipwe esinesin porousen ekewinin non ach ei muu non ei fansoun semwen, iwe kich mei pwan fori ekkoch auchean angang ne tumunu pwe kopwe tori met omw osupwang, nupwen omw fori pekin tumun me apochokun. Kich mei fakkun anomu aramas non ekiekich, nge non ekkei fitu wiik, ach community a nom non nukenapchèchè ei semwen iwe a fakkun auchea ach sipwe tofengen non porous.

Kich mei asina pwe ach ei muu me tufichin a foruta seni riafoun ekkewe mei Chonochon me Aramas mei Sokono Anuwen Unucher me tanòn ewe Ewin Muun Aramasen Wesetan Ei Fonu. Eipè ese Puung mei pukuta me non ekkei kinikin seni ach government, nongonongun sopai, me organization non pwisin-community non unusen ei muunap. Mei wor ei metek mei ariafou a tou seni ekkewe mei Chonochon, Kanaka, me Aramas mei Sokono Anuwen Unucher. Ei metek esapw minafu, nge a fakkun neuomong non unusen fonu seni fansoun manon George Floyd, me fan nepukuwen ewe ponisen Minneapolis. Ei foforun awata me oputa ika eipè epwe keuno.

Sia sinei pwe pochokunen me tumunun manawen ekkewe mei Chonochon epwe pwan pachenong ekkewe mei wor rer HIV. Iwe sia sinei pwe pochokunen me tumunun mei wor HIV rer epwe pwan pachenong manawen ekkewe mei Chonochon. Ach ei HIV organization, kich mei achocho ne angang me pwarata auchean nènèpèk fan iten pung me wenewen. Ren ei wewe esapw ita nge ese fakkun wor mo ekis ach mwan, ika ese wor met sipwe apungu non ach angang. Fan iten ach ei ew organization, me ew watten angang, kich mei pwan nenenong non ia sipwe atawei me ian ei angang.

Ekkewe mei wor rer HIV mei sokkono ewe virus rer rese pwan nom non kinikinin ekkewe repwe mwitir feiangaw ren ei semwenin COVID-19, COVID-19 mei sotosopono afeiangawan non ach kei community, akaewin ngeni ekkewe chinap me mei wor chou ar semwen. Foforun eipè, usun mei fis non ekkoch kinikin, mei pwarata pwe met mei fis ngeni BIPOC community a fakkun watten. Mei chok sotosopono pwe ekis chok pisekin pwarata ren met epwe tongeni safeni ei COVID-19, iwe ese pwan wor opos. Ese fakkun naf ach sipwe apasa pwe mei auchea tumunu nonomun emon me emon me aponuweta towaw fesen ne anapano towawen nefinen aramas (onu fiit), aea oponun pwot me aaw nupwen oupwe kinfengen, tènù poumi etenin, me ousapw nom nein chomong aramas me neni mei chomong aramas ie. Kich mei pwan weweiti pwe aramas ra finata ar repwe feito fiti ekkewe mwicheichen ungeni foforungawen ponis me eipè mei ngaw. Kich mei apochokuna an aramas finata me sinei pwe mei wor ekkoch anen omw kopwe fori ekkei non tumunun manawom me pochokunom. Kose mochen kokori kich ika kopwe aea oponun pwot me aaw ika sanitizer.

Sipwe sopweno ne achema ei kuukuun porous "lei kich fan itom." Ach ei prokram mei sopweno ne awora churi aramas won fon me euku chon feito non-foufoun aramas me sia pwan sopweno ne angang fengen me state me local fan iten kokotun poputan chuto non neni ren-foufoun aramas. Kokori kich, kakaton ach we website me Facebook page ren pwan ekkoch ekewin.

Auchean pwinin maram:

- Ren kokotun churi noum dokter, ka tongeni poputa schedule omw kopwe angang cha, ekkoch nenien angang cha en mi tongeni etinong non foufoun aramas ren omw appointment.
- Ren sopusopun met mei kawor seni ewe monien atapwanapwan me ren ewe Ryan White emergency fund, ewe Federal CARES Act funding mei pwan pachenong ekkoch monien aninisin atapwanapwan ren niwinin fifi, cell fon, mongo, me pisekin nimenim. Kose mochen kokori noum we case manager ika chon anisuk ren ekkei pekin aninisin moni.
- Ekkewe pekin behavioral health me chufengen non group mei chiwen fis won fon me online video ren ekkewe ra fen fiti me ekkewe rekeran pachenong. Kose mochen kokori noum omw we nenien safei ika case manager omw kopwe sinei porousen ekkei session me chufengen non group

Kuta enetin porousen COVID-19 & HIV [ikei](#) non fosun Ingenes me Spanish. Sia pwan sopweno ne atoura ekkei website ren ekewin porous non raan me raan me pungun porous: [Multnomah County](#), [Oregon Health Authority](#), ika [211 ren unusen kapas ais fan iten Coronavirus](#) me ren nongonong an epwe anisi omw kewe osupwang.

lei kich mei nom ach sipwe anisuk. Kich mei sinei met community epwe fori nupwen mei wor osupwang, me kich sia sopweno ne kaeo ngeni met mei fis akom non ewe fansoun HIV mei chëufetan ach sipwe aninis fengen non ekkei sokkun fansoun.
