1. Call to Order
2. Introductions
3. Approval of Minutes – *Molly forgot to write them up and send them out. Will have them ready for the November meeting.*
4. Department Reports
  - a. New database update – *quick show and tell of the new database, and a discussion about the future state.*
  - b. Upcoming renewals – *notices will be mailed out beginning of October.*
5. Old Business
  - a. Gauge Calibrations –
    - i. *adding to OARs similar to Washington, will consider including a phase in... “By January 2025 all gauges must be calibrated in accordance with USC 10<sup>th</sup> addition”... something like that.*
  - b. Plumbers who test – *nothing new to report*
  - c. Review suggested OAR Updates –
    - i. *We mostly talked about them since we had folks on the phone. Also Molly thought we were going to be able to push the rules through this year, but we were told no, so we do have time to work on them.*
    - ii. *Rule Ideas:*
      1. *Phase in period for gauge calibrations*
      2. *New Instructors – be clearer about brand new folks, vs folks in the business for a long time in another state. Maybe a reciprocity section.*
6. New Business
  - a. Instructor Updates –
    - i. *Reviewed the tests over the past few meetings and instructors feel they are pretty similar.*
    - ii. *No, Molly does not plan on, nor does she want to, write the exams for instructors to use.*
    - iii. *Instructors do not need to attend a CCS or BAT refresher course in order to renew, if you teach the class you do not need to take the class. There is a check box on the renewal form to let me know that you are an instructor.*
7. Correspondence - None
8. Public Comment - None
9. Adjournment
