

**Oregon Health Authority – Drinking Water Services
County Contacts
Updated 5/01/2024**

Drinking Water Services contracts with the counties to perform much of the program work at the local level. Contract counties are responsible for all water systems with groundwater sources serving 3,300 people or less. Operators and managers of these systems should first call their local county health department for assistance with drinking water issues.

County	Contact Persons	Phone	Fax	Email
Benton	Scott Kruger	541-766-6650, 541-740-0221 cell	541-766-6248	scott.kruger@co.benton.or.us
