Legal Notice

Legal notice of public review and comment period concerning proposed changes to the combined Project Priority List (PPL) attached below for Oregon's Drinking Water State Revolving Fund (DWSRF) for 2023. This portion of the combined PPL is specific to our Drinking Water Source Protection (DWSP) Program.

One of Oregon Health Authority (OHA) Drinking Water Services (DWS) responsibilities as a state agency managing the DWSRF program as set forth under Section 1452 (40 CFR 35.555 (b)) of the amended 1996 Safe Drinking Water Act (SDWA) is to provide the public the opportunity to comment on changes to the Intended Use Plan (IUP) as a part of the grant application process to the U.S. Environmental Protection Agency (EPA). The PPL is important to how the DWSRF program implements the IUP. DWSP projects are related to the protection of drinking water sources. Projects are rated (i.e., scored) to determine ranking and placement on the PPL. Funding for ready-to-proceed DWSP projects are in the form of a grant up to \$50,000 per Applicant and/or a loan up to \$100,000 per project. For more information, please contact Tom Pattee, DWSP Program Coordinator, at tom.pattee@oha.oregon.gov or (541) 684-2440.

The public review and comment period for proposed changes to the PPL will be from Monday, June 26 through Wednesday, July 5, 2023. If you would like to make a comment, please email your comments to dws.srf@odhsoha.oregon.gov by no later than 5pm on Wednesday, July 5, 2023 to be considered. If you have questions, you may also email or call me at (503) 956-8287.

Thank you.

COLUMN NOTES
(1) LOI (SWP#) column is an Applicant number assigned to the system after they submit their Letter of Interest (LOI).
(2) Primary Project Focus column demonstrates the primary focus for what the DWSPF funds will be utilized for. In many cases, projects have more than one focus, but often they have one or two primary focuses for their project. This column displays that focus.
(3) Grant Award column shows the year in which the projects were awarded. Projects are removed from PPL when funds have been committed to the project from Business Oregon.
Projects may also be removed from the PPL if more than a year has transpired and Business Oregon has not been able to commit funds to the project.

Eligible DWSPF projects are placed on this PPL annually, but the PPL is updated quarterly to keep track of how much money is available for lending and to remove projects that have been awarded funds.
