

WIC Health Resources

- Website address for **participants**: <https://www.wichealth.org/>
- Website address for **staff**: <https://www.wichealth.org/support>
- **wichealth Academy** – Available on the wichealthsupport website; includes 30 training videos on how to successfully implement and use both wichealth and wichealthsupport.

- **wichealth Help Desk** – There are 3 ways to request assistance for any issues that arise.

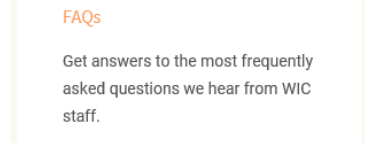

- Click the **Help button** available on the website
- Email help@wichealth.org
- Call **855-411-0233**

For each method, leave a message and someone will get back to you within 24 hours.

- **Frequently Asked Questions**

A list of frequently encountered problems (and solutions!) is available on the wichealthsupport website.

- To view one or more WIC Health lessons, log in to the wichealthsupport website, scroll to the bottom of the page and click on one of these selections:

- **Health eKitchen**

A variety of recipes using WIC foods, preparation videos and lovely food photographs are available on the Health eKitchen website. Access it through the wichealth home page – it is just below the button for lessons. Check it out!
