10/13/2021

REAL-D Interface Enhancements (continued)

Pop-up screen added for the question “If you checked more than one category above, is there one you think of as your primary racial or ethnic identity?”.

NOTE: You only need to answer this question if you checked more than one race and/or ethnicity.

The screenshot shows the REALD interface with a pop-up window. The interface has a green header with "REALD: Race, Ethnicity, Language and Disability" and an "Exit" button. Below the header are three tabs: "Race", "Language", and "Disability". A red instruction reads: "Enter only case self-reported data here. I.e., from interview, NOT from ELR or medical record." A question asks: "How do you identify your race, ethnicity, tribal affiliation, country of origin, or ancestry?" with a yellow input field and "Unknown" and "Decline" options. Below this, a question asks: "Which of the following describes your racial or ethnic identity? Please check ALL that apply:" followed by several categories with checkboxes: "American Indian and Alaska Native", "Asian", "Black and African American", "White", and "Other Categories". A "Member of Tribe?" field is highlighted with a blue box. A pop-up window is overlaid on the "Asian" section, containing a "Clear" button and radio button options: "Korean", "Vietnamese", "I identify as Biracial or Multiracial", "I do not have just one primary racial or ethnic identity", "Don't know", and "Don't want to answer". An orange arrow points from the "Don't want to answer" option to a text input field at the bottom of the pop-up. The text input field is also highlighted with an orange box. At the bottom of the main interface, a question asks: "If you checked more than one category above, is there one you think of as your primary racial or ethnic identity?" with a text input field highlighted in orange.

Questions? Contact your Organization Administrator or Opera.Support@dhsosha.state.or.us

10/13/2021

“Other” Answer Option Added to “Reason Not Interviewed”

On the “Risks” tab, for the “Reason not interviewed” question, an “Other:” answer option was added.

The screenshot shows the RedCap interface for the 'RISKS' tab. On the left is a sidebar with various data points: Labs (0), eCR (0), Clinical, Treatment, Risks (highlighted), Followup, Epilinks, Contacts (6), Vaccines (0), and Docs (1). The main content area is titled 'RISKS' and includes a '1st call try' field, an 'Interviewed' radio button (Yes/No), and a 'Reason not interviewed' dropdown menu. The dropdown menu is open, showing a list of options: Not Indicated, Complete, Unable to Reach, Out of jurisdiction, Deceased, Refused, Self-Reported RedCap Interview, No (Medical Record Review), No (Physician/ICP Interview), Kaiser/OHSU/MCHD, and Selected for Interview (Mult Only). A new 'Other:' option with an empty text input field is highlighted with an orange border at the bottom of the dropdown. Below the dropdown is an 'Ask Risk Questions' button. The interface also includes a 'Who' dropdown, a 'by' field, and a 'Spoke to Case?' checkbox.

You can get this document in other languages, large print, braille, or a format you prefer. Contact the Coronavirus Response and Recovery Unit (CRRU) at 503-979-3377 or email CRRU@dhsosha.state.or.us. We accept all relay calls, or you can dial 711.
