

2022 Oregon Supportive Housing Institute: PSH Cohort #3

Apply for the Oregon Supportive Housing Institute

Oregon Housing and Community Services (OHCS) and CSH are excited to announce Oregon's third Supportive Housing Institute. The 2022 Institute will help supportive housing partners learn how to navigate the process of developing Permanent Supportive Housing.

The Institute will provide targeted training, technical assistance, and project planning support to both new and experienced development teams seeking to develop PSH in their communities.

Eligible teams must include*, at a minimum:

- a housing development/owner partner
- a supportive service provider partner
- a property management partner

*Teams encouraged to include member with lived expertise, e.g. a Peer Support Specialist.

Institute Benefits

Upon completion, participants will have:

- a supportive housing plan that can be used to apply for funding
- preference for funding in PSH NOFAs from OHCS
- skills to create and operate existing supportive housing and develop new projects serving people who experience barriers
- skills to operate single-site and integrated supportive housing
- a strong, effective development, property management and service team that leverages the strengths of each team member
- a powerful network of peers and experts
- post Institute technical assistance from CSH
