Message:

Good morning,

First and foremost, we want to take a moment to acknowledge and thank you all for your continued efforts in serving your local communities. As Patricia has transitioned from our team and is now working with Affordable Rental Housing (within OHCS), I wanted to introduce myself and additional members of the Homeless Services Section. We are collectively leaning in and supporting efforts to ensure we can continue to respond to your needs in an efficient and effective manner.

Nicole Servin will continue to be your main point of contact for day-to-day operations and general questions. We will have Cody Sibley closely assisting as they have experience in overseeing our ESG program. For any questions that Nicole and Cody cannot respond to or require additional support, I will be leaning in as well to ensure we can provide clarity.

The HSS team identified here will also be your point contact as we venture forward towards sunsetting the ESG-CV program. It is important to note however that as we are closing the programmatic aspect of the grant, we are preparing ourselves for the federal audit and will continue to maintain in contact through its conclusion. Thank you all for your continued patience with us during this transitional period, take care.

Best regards,

Jovany
