November 16, 2022

Agenda Item: 9a UPDATED **Action**
Public Comment Allowed: **Yes**
Topic: Request to adopt, Local Government Grant Rules, Division 6
Presented by: Michele Scalise, Grants and Community Programs Manager

The Local Government Grant Program (LGGP) funds outdoor recreation in cities, counties and special districts with a portion of constitutionally-dedicated lottery funding. OPRD administers the grant program on an annual basis. Typically, the program awards over \$5 million annually to qualified projects, and has awarded over \$95 million in grant funding since the program began in 1999.

The grant program was created after passage of Measure 76 dedicating lottery funding to parks and natural resources. Article XV, Section 4a (3) of the Oregon Constitution requires that each biennium 12% of OPRD's portion of lottery funding be dedicated to local and regional government grants for outdoor recreation. It further requires that if lottery proceeds reach more than fifty percent above the amount deposited in the 2009-2011 biennium, the grant amount will increase to 25% of OPRD's portion of dedicated lottery funding. As lottery proceeds continue to increase, it is anticipating this point may be reached in the near future.

Staff request permission to adopt amendments to administrative rules governing the application, operation and distribution of the Local Government Grant Program to address both potential of additional funding and needs for general updates to administrative processes. A majority of the rules have not been updated for at least ten years. Proposed amendments update language and process to match current operational needs. In addition, overall grant sizes would be increased.

Proposed amendments were developed with the assistance of a Rule Advisory Committee of local government and park and recreation leaders. Public comment on proposed amendments opened October 1 and closed November 3. A public hearing was held on November 1. Notices on the opening of comments were sent via email to interested parties and included in the Oregon Recreation and Park Association newsletter. There were no public comments received on the proposed rules.

Prior Action by Commission: Commission approved opening rules during the September 2022 meeting.

Action Requested: Staff request permission to adopt amendments to OAR 736-006-0105, 736-006-0110, 736-006-0115, 736-006-0125, 736-006-0140, and 736-006-0145 to update Local Government Grant program rules.
